Dear Chief Administrative Officer:

Re: 2026 Municipal Policing Billing Statement Property Count

Please find below your municipal property count that has been provided to the OPP by the Municipal Property Assessment Corporation (MPAC).

The property count data is based on the 2024 Assessment Roll data delivered by MPAC to municipalities for the 2025 tax year with adjustments based on the requirements defined in O. Reg. 413/23 of the Community Safety and Policing Act (CSPA). The property counts will be used by the OPP to help determine policing costs in the 2026 Annual Billing Statements.

Municipality	Household	Commercial & Industrial	Property Count
Brant Co	16338	797	17135

The Household count is reflected in your 2024 Year-end Analysis Report 5 (Household count), which you receive annually from MPAC, with adjustments to exclude Canadian Force Base (CFB) counts and timeshare units. The Commercial and Industrial counts reflect properties having designated Realty Tax Class and Realty Tax Qualifiers (RTC/RTQ) while excluding properties with structures such as towers, billboards, wind turbines, solar panels, oil or gas wells, international bridges or international tunnels. Please find the specific details on <http://www.opp.ca/billingmodel> (search for Property Count Definition document).

Please review the count for your municipality, considering the requirements defined in O. Reg 413/23, and if you continue to have any questions or concerns about your count, please contact your local MPAC Account Manager Municipal and Stakeholder Relations within 60 days from the issue date on this letter.

Any error in the 2024 year-end municipal property count determined as a result of your review, will be confirmed through MPAC and your 2026 billing will be adjusted for the applicable changes.

Yours truly,

A handwritten signature in black ink, appearing to read "Kenneth Kee", is written over a light blue horizontal line.
