Good morning: I am responding to the "notice of application for re-zoning" concerning Gary Zylstra. We have lived in Burford for over 30 years and have used Mr Zylstra's bike recycling/repair since the beginning. Every small town should have this specialty, we are very lucky.

So our family is in full support of Gary Zylstra's property being re-zoned by the County to continue as a Small Home Based Bicycle Business.

Thank you very much,  
Sheryl and Bill Globensky.
