**RE: Employment Conversion Requests
Lands North of 366 County Road 18 & 95 Old Onondaga Road East - Cainsville
County of Brant**

Weston Consulting is the planning consultant for 2181618 Ontario Inc., the owner of 63.7 hectares of land north of 366 County Road 18, and for Mr. Danny DeDominicis, the owner of 19.4 hectares of land at 95 Old Onondaga Road East, both in Cainsville. In December 2020 we filed Planning Rationales with the County in support of converting both these parcels from employment lands to residential uses. A file transfer link of our reports is provided in the email that provides this letter.

We have been monitoring the City's Official Plan Review/Municipal Comprehensive Review process and understand that the Planning & Development Committee will consider a report regarding the County's employment needs and our conversion requests in April 2021. We will be making arrangements for a deputation to Committee on these conversion requests at the earliest opportunity.

Please do not hesitate to contact the undersigned should you have any questions or require additional information.

Yours truly,

Weston Consulting
