Amanda,

Can you please include Katie's email in our Planning package?

Hello,

I recently heard that a condominium is going to be built on Maple Ave. I really feel that the increase in population in this already small town will disturb the peace. I moved to Burford to escape the noise of the city. To bring part of the city into the countryside is something that would be inconvenient to the residents currently living here. Please reconsider building something like that in our town.

Thanks
