David Miller,

I am writing in concern about the building of the condominium, which I oppose the proposal of. I have lived in Burford for almost 20 years. The reason I moved here was because it was a quiet and relaxing community. They are saying

that they want to build a condominium with a total of 80 units and 160 vehicles. It seems that it would overflow the parking around the neighborhood and possibly onto people's lawns, devaluing our property.

As for the seniors of the community, they will not want to climb a 3 storey building they would prefer a 1 level complex to make easy for them.

Please keep our community peaceful and relaxing.

Thank you
