Meeting December 7, 2021

Hopefully, this tower will sell space to internet companies to better the service here. I am currently without internet as Xplornet decommissioned the tower at La Fortune Park. Without many options, I support this application.

Hi Tracy, yes I would like to RSVP please. This week I also spoke with Alyssa Seitz at the County who was able to give me a bit more information on how these sessions work. Who knew local government could be so exciting!

Thank you for checking back. And I will be sending you some information a little closer to the December 2nd deadline.

Colleen (Kelly is my last name)

Hi Kelly

I wanted to follow up with you to see if you have any additional questions for me or Dan and if you would like to RSVP for the virtual public open house?

Thanks,

Colleen,

As requested, please find attached a copy of the submission package which contains drawings & site section justification.

To address your question, Notice is required to be provided to those property owners within 500m of the subject property.

I have copied the Agent for the application on this email as well.

If you require any further information please let me know.

Thank you

Good morning, I am just following up on a phone message I left this morning. I am interested in receiving an information package on the proposed build of a telecommunications tower at 447 Baptist Church Road. I would specifically like to request scaled drawings with measurements in relationship to its building location, the road, and neighbouring properties, along with all other related materials.

In order to expedite this request, please send electronic copies to [REDACTED]

I was also hoping you could tell me which residents received a notice of the virtual information session? The reason I ask is because I believe Baptist Church Road is partially in Brant County and partially in Caledonia.

Thank you so much for your help.

Colleen
