Good afternoon Brandon,

I'm writing in regard to the Brant County notice we received by mail in regard to the Tigercat application ABH31-22-BK.

Are you able to confirm whether the severance results in Consolidated Drive becoming a municipal road? If the answer is yes or possibly, please explain (at the public meeting?) what traffic controls will be put in place to prevent vehicles related to industrial businesses from travelling down Consolidated Drive down to Willow Street. My concern is the mixing of industrial traffic into what is a residential area i.e. foot/bicycle traffic on rail trail and family residences.

Good afternoon 'County Clerk',

Please add my name and email address, [annewilliamson.hyett@gmail.com](mailto:annewilliamson.hyett@gmail.com), to the notifications list for this application.
