Hey Shannon,  
Okay, we will proceed with the tent as an indoor space and leave the shed as is.  
Thanks,

Hey Beckie,

Please see my most recent email – my intention would be to avoid having this condition. Just need you to confirm that existing shed will not be used, and instead a temporary tent in accordance with the Zoning By-Law 61-16 requirements.

If there are any questions or comments, please do not hesitate to contact me.

Kindest regards,

Hey Shannon,

I spoke to an architect who wondered if an engineer could also sign off on plans and permits to be submitted or must it be an architect.
