Good afternoon Dan.

I received the Notice of Complete Application in the mail from County of Brant for 31 Willow Street. I am located at 4 Brock Street and have some questions about the property lines showing on the mail out. Some of the cedar trees proposed to be taken down appear to be on my property. If someone could come by so we could discuss in person that would be appreciated.

Thanks for your time!

Hello Dan, hope you're doing well. I just received a notice in the mail regarding 31 Willow Street in Paris. We are located directly beside at 33-35 Willow so just wanted to reach out with some concerns. The tree company has already come and removed all of the big beautiful trees on the property that gave us all of the privacy that we would need in our backyard and even through to our windows. We have 2 small children as well as 3 dogs so privacy is much needed. My concern is that the plans won't give us the privacy we need for our children. It has left our backyard completely exposed and we would not have purchased this property had it looked like this. We are also concerned that our home value will decrease if there isn't sufficient privacy outback. I've noticed some trees being planted but will there also be a fence higher than the chain link that is already there?

Also are we aware of a construction start date? I have a baby who naps still so would like to be prepared!

Thanks so much for reading my concerns and I look forward to hearing back from you.

Patrick and Alex Cuss
