\*When services are requested to be installed on lots adjacent to each other by the same applicant/developer, the request will be reviewed by County Staff on a case-by-case basis and appropriate fees and conditions will be determined at that time.

\*\*The depth of service is to be indicated on the design drawings submitted with the Public Works Permit Application. The fee payable by the applicant at the time of permit submission will be based on the information contained in the drawing. The depth of the service will also be reviewed by County Staff at the time of permit review. The applicant will be notified if the fee is required to be revised.

\*\*\*The winter work fee for services installed between November 15 & March 31 will be applied to all work done during this window of time notwithstanding the fee paid with the Public Works Permit applications. The fee shall be paid in full prior to the work commencing. The winter works fee will be applied to all Public Works Permit applications received between October 1 & February 28. If the winter works fee has been paid and the service is installed outside the winter works period, the applicant will be reimbursed the difference between the two fees.

\*\*\*\*The fees and charges noted above will be used to calculate connection fees for new connections to sanitary sewers, except when an individual by-law is established for specific servicing projects.
