- **Committee/Council Meeting that you would like to attend**
County of Brant Council
- **Recommendation to Council / Committee (Please indicate below what action you would like the County of Brant to take with respect to the above-noted subject matter).**

We want to put forth to The County of Brant a formal objection to the selling of this parcel of land, namely "Block 3 Kerr Tract Brantford; Part Block 4 Kerr Tract Brantford being travelled road north of Maple Ave". This parcel of land is connected to our property and used as our primary access. The sale of this property, or the sale of this property without any conditions allowing us legal right-of-way, would dramatically affect the value and functionality of our property.

It is our belief that this property is of no financial burden to the County of Brant and holds very little value. However, selling it would generate unnecessary animosity between property owners, and again, would dramatically affect the value and functionality of our property and potentially other adjacent properties.

We have an outline of our property in the files attached, (outlined in blue) showing the connection of our property to the parcel proposed to be sold.

Thank you for hearing our concerns and for your consideration on this matter.
