Hello,

Please note the following response to Delegation Request Form has been submitted at Wednesday December 6th 2023 2:11 PM with reference number 2023-12-06-025.

- **Name of Delegate(s) (comma separated)**
Andrea Bowden
- **Delegation Status**
Representing a Group / Organization / Business
- **Name of Group / Organization / Business**
Area of Highland Estates
- **Subject Matter**
Petition to repair and re-open the Cleaver Bridge to vehicle traffic
- **Committee/Council Meeting that you would like to attend**
Administration & Operations Committee
- **Recommendation to Council / Committee (Please indicate below what action you would like the County of Brant to take with respect to the above-noted subject matter).**
Would like this matter brought up in Operations Committee Meeting as well
as Brant Council Meeting (whichever should come first in your procedures)

In 5 short days, I was able to get a MAJORITY - over 80 supporting, taxpaying homeowners/business owners that have signed my PETITION.

They have authorized me to speak on their behalf.

Public Opinion in the "area of Highland Estates" is that the Cleaver bridge is repaired and re-opened asap, rather than spending our tax dollars restructuring already dangerous Robinson Rd. hill.

Please copy the following Committees as well -

It would also be nice to get the recommendations of Brant Heritage Committee (current age of bridge, style of bridge could be similar to Mill St. bridge already done in 2017,)

and

Emergency Response Committee as this also involves them (safety concerns of proposed re-route of Robinson Rd hill for emergency responders in the winter, especially)
