

Brant County O.P.P. Detachment Board Report

To: The Chair and Members of the Brant County O.P.P. Detachment Board
From: Spencer Pluck, Deputy Clerk
Date: October 22, 2024
Report #: RPT-0490-24
Subject: Brant County O.P.P. Detachment Board Name Confirmation
Purpose: For Information and Direction

Recommendation

That RPT-0490-24 be received as information;

And that the Brant County O.P.P. Detachment Board provide direction on the Board's naming convention.

Report

Background

In accordance with Ontario Regulation 135/24: O.P.P. Detachment Boards, the Board is referred to as "Brant County O.P.P. Detachment Board". Should the Brant County O.P.P. Detachment Board wish to operate under a different name, the passing of a by-law is required to reflect this change.

Report

The OAPSB (Ontario Association of Police Services Boards) has advised that the Board name should be confirmed at the first Board meeting, and upon confirmation, a Board logo will be designed and provided for use by the Board and the Detachment Commander for meeting documents and reports.

In the event the Brant County O.P.P. Detachment Board wish to operate under a different name, the name must include a geographic reference and "O.P.P. Detachment Board", as indicated through communications to the OAPSB from the Office of the Solicitor General. The required by-law would clarify that the Board known as the Brant County O.P.P. Detachment Board in O. Reg 135/24 is operating under a new name, and that the by-law would bridge the gap until such time as the CSPA or O. Reg 135/24 is open for amendment. The OAPSB will be collecting information on O.P.P. Detachment Board names and will forward the information on the Board's behalf.

Summary and Recommendations

This report is presented as information and staff are seeking direction on naming. Should the Board wish to adopt a new name, a by-law will be presented for adoption at a future Board meeting.
