

This form is to be used to petition municipal council for a new drainage works under the *Drainage Act*. It is not to be used to request the improvement or modification of an existing drainage works under the *Drainage Act*.

To: The Council of the Corporation of the County of Brant

The area of land described below requires drainage (provide a description of the properties or the portions of properties that require drainage improvements)

The scope of work requested in this petition involves creating a legal outlet for the existing storm drainage from 986/1034 Powerline Road, covering approximately 86 hectares of agricultural land within the proposed 2023 growth boundary, designated as prestige employment lands.

Currently, storm runoff flows northwest, where it crosses Powerline Road to the north and drains through existing lands west of Cleaver Road where it ultimately outlets through the existing box culvert at the intersection of King Edward Street and Cleaver Road.

This petition requests a new piped storm sewer within the Cleaver Road right-of-way to convey the pre-development 5-year minor storm flows, an overland flow route to convey the post-development major flows up to the 100-year storm event attenuated to the 100-year pre-development flows, and safe conveyance of post-development flows from Hurricane Hazel. See attached letter and sketch for further description.

In accordance with section 9(2) of the *Drainage Act*, the description of the area requiring drainage will be confirmed or modified by an engineer at the on-site meeting.

As owners of land within the above described area requiring drainage, we hereby petition council under subsection 4(1) of the *Drainage Act* for a drainage works. In accordance with sections 10(4), 43 and 59(1) of the *Drainage Act*, if names are withdrawn from the petition to the point that it is no longer a valid petition, we acknowledge responsibility for costs.
