RE: Event Designation of Municipal Significance

Dear Members,

Mt Pleasant Fire Fighters host the Annual Mt Pleasant Wing Night. The event will take place on September 6, 2025

We host approximately 300 guests split between two seatings. This event takes place at the Mt pleasant Community Hall. Proceeds from the event will fund various fundraising initiatives throughout the community and the needs of the fire hall.

To procure a liquor license, we must provide a letter of Designation- Municipal significance.

We look forward to the support of the council and would be happy to provide additional information as needed.

Warmest regards,

Acting Captain Jeles
